Vote Yes on L.A. County "Measure U"

— Protects law enforcement and other vital services, keeps our budget balanced, and CUTS TAX RATES! Please support public safety programs, and vote YES on U!"

Vote No on State Proposition 5

— In Los Angeles County, more than 50,000 criminals a year could go unpunished. There is no evidence that the drug diversion programs will work, and the provisions of Proposition 5 are nothing more than a taxpayer funded social experiment. Proposition 5 gives "preferable parole" for many thieves and drug dealers.
